Message from the President

Dear Member,

I am sincerely honoured to be elected as the President of your Association for the year 2011-2012. I am overwhelmed by the support you have pledged to me and our Committee at the AGM.

Firstly, I would like to thank the outgoing President and his Committee for their effort and dedication in carrying on our community traditions.

Secondly, I would like to extend a warm welcome to my newly elected committee and together we hope to do our best in promoting our culture and nurturing friendship through our various events.

Our Children are our future! So this year we plan on providing incentives which we hope will encourage our children to attend our events and develop friendships so that they will continue to keep the spirit of Goa alive in Victoria.

Your participation in the activities and functions will significantly help us in our efforts to implement the objectives of our Association, and also forge greater ties in the community.

Lastly please feel free to contact me or my ever willing committee if you require any information or have any suggestions or comments.

We eagerly look forward to your support, with hope and excitement.
