

The Goan Overseas Association of Victoria (GOAV) is a community-based association proudly serving the Goan diaspora across Melbourne and Victoria since 1979.

Run entirely by a committed managing committee and dedicated team of volunteers.

GOAV brings members together for inclusive, engaging culturally rich social, sporting, and community events, while also supporting members of the Goan community who are disadvantaged or experiencing hardship through our Outreach program.

Whether you were born in Goa or simply share a love for its culture, GOAV welcomes you to be part of a warm and vibrant community.
